

SAMPLE FOCUS
Royalty-Free Sample Library

Certificate of Content License

Issued September 19, 2026

To Whom It May Concern:

Sample Focus confirms that **Yago Da silva** downloaded **8-Bit Punch** on **September 19, 2026** and received a perpetual, worldwide, non-exclusive, royalty-free license for its use.

This license authorizes the Licensee to use and modify the content in original creative work and to release and monetize that work through any distributor, label, streaming service, or digital platform. **No attribution, additional clearance, or further payment is required.**

Sample Focus takes copyright protection seriously. Before publication, every sound is reviewed by our content moderation team and screened using multiple automated tools for potential copyright matches and infringement risks. Rights confirmation is required for every submission, and only approved sounds are published.

Based on these safeguards and to the best of our knowledge, the licensed content is authorized for use under the Sample Focus Standard License, subject to its full terms below. This confirmation reflects our good-faith review and records; it is not a warranty.

Although no review process can eliminate every possible third-party claim, Sample Focus promptly investigates copyright reports, removes content when appropriate, and will assist in verifying this license.
